NCRC™ Plus

Plus what? Plus WorkKeys® Personality (formerly the Talent assessment), a powerful measure of soft skills that will give you insight into personal characteristics that are directly related to on-the-job success. Adding WorkKeys Personality to WorkKeys cognitive measures dramatically enhances the predictive power of these tools—for even more accurate predictions of job performance. Hear from the experts in this session to learn more about the NCRC Plus.

- Tuesday, May 15th, 1:00-2:00 PM CDT
- Thursday, May 17th, 1:00-2:00 PM CDT

WorkKeys Soft Skills Assessments

For better selection decisions, employers want to measure dependability, attitude, and other key soft skills. They want to know, for example, which individuals are more likely to arrive on time and have the right attitude. Join these sessions to learn how the WorkKeys soft skills assessments measure important components of personality, integrity, and how an individual will match, or fit, a job.
