Introduction: State Workforce Strategy & Vision

“Create a workforce development system that is value driven for employers, aligns education with industry demands, prepares Kentuckians for the future of work, and drives economic development.”

Chapter 1: Workforce Innovation & Opportunity Act (WIOA)

The Purpose of the WIOA

- 1) To increase, for individuals in the United States, particularly **those individuals with barriers to employment**, access to and opportunities for the employment, education, training, and support services they need to succeed in the labor market.
- 2) To **support the alignment** of workforce investment, education, and economic development system in support of a comprehensive, accessible, and high-quality workforce development system in the United States.
- 3) To improve the quality and labor market relevance of workforce investment, education, and economic development efforts to provide America's workers with skills and credentials necessary to **secure and advance in employment with family-sustaining wages** and to provide America's employers with the skilled workers the employers need to succeed in a global economy.

- 4) To promote improvement in the structure of and delivery of services through the United States workforce development system to **better address the employment and skill needs of workers, jobseekers, and employers.**
- 5) To **increase the prosperity of workers and employers** in the United States, the economic growth of communities, regions, and States, and the global competitiveness of the United States.
- 6) To provide workforce investment activities, through statewide and local workforce development systems, that **increase the employment, retention, and earnings** of participants, and **increase attainment of recognized postsecondary credentials** by participants, and as a result, improve the quality of the workforce, reduce welfare dependency, increase economic self-sufficiency, **meet the skill requirements of employers**, and enhance the productivity and competitiveness of the Nation.
