“Opportunity Youth” are defined as young people between the ages of 16 and 24 who are neither enrolled in school nor participating in the labor market.

1. What do you believe are the major reasons why opportunity youth leave high school before graduating?
2. What do you believe are the major reasons why opportunity youth do not pursue further education or training after exiting high school?
3. What do you believe are the major reasons why opportunity youth do not join the labor force after exiting high school?
4. How would you rate the level of alignment and collaboration between organizations that provide services and resources to opportunity youth? Excellent, good, fair, poor – why did you reply as you did?
5. What best practices or promising practices in Kentucky are you aware of to reconnect opportunity youth with education or jobs?
6. What issues related to opportunity youth do you think the Opportunity Youth Committee should prioritize?
