**Mission:** “Prepare, advance, and expand the workforce of Eastern Kentucky.”

**Vision:** The Eastern Kentucky WIB’s Strategic Plan includes its visions for the regions of Eastern Kentucky, the workforce system in Eastern Kentucky, and the role of the WIB:

- *Vision for the Region of Eastern Kentucky* — The WIB’s vision for the region of Eastern Kentucky includes the goals below that expand its influence with other key components of the workforce system like economic development, secondary and post-secondary education, and others — with the outcome being that the WIB will have a more tangible effect on job creation, educational and skills attainment, graduation rates, economic development and diversity, and job placement and retention. The goals associated with this vision are:
  - Employers — new, existing, and emerging — have an adequate supply of well-educated and well-trained workers.
  - Residents have the knowledge, skills, and aptitudes to work and earn incomes that make them self-sufficient.
  - The region exhibits improved college and career readiness among high school graduates
- *Vision for the Region’s Workforce System* — The WIB’s vision for the region’s Workforce System includes the goals below for services and programs driven by the Workforce Innovation and Opportunity Act (WIOA), the current federal law that guides service delivery for adults, dislocated workers, and youth. These goals also include those shared by the Workforce Innovation Board and various partner agencies in the overall, integrated workforce system, including: postsecondary education, Kentucky Office of Vocational Rehabilitation/Blind Services Division, Kentucky Adult Education, Kentucky Department of Veterans Affairs, Kentucky Career Development Office, Experience Works, Job Corps, and Kentucky Department for Community Based Services, as well as programs authorized under the federal Wagner-Peyser Act. The goals associated with this vision are:
  - Lifelong learning and skills development are integral parts of the workforce system. Long-standing relationships between employers and educators keep education and training opportunities one step ahead of the needs of the market.
  - The system partners with those industries and businesses that drive the regional economy. It also works with chambers of commerce and economic development entities throughout the region to identify and support emerging industries vital to the region’s continued growth and diversification.
  - Strong commitments to innovation, productivity, accountability, and results keep the system flexible and responsive to employers’ and residents’ ever-changing workforce needs.
- *Vision for the EKCEP Workforce Innovation Board* — The WIB’s vision for the role of the WIB includes the goals below that set the course for continued innovation in service delivery and the leveraging of additional funding to create new revenue streams that shape and guide organized activity outside the scope of WIOA. The goals associated with this vision are:

- The EKCEP WIB will continue to explore ways to influence economic development and provide citizens' access to more and better jobs through the use of innovation, technology, and creating opportunities for the region to participate in the global digital and marketplace.
- EKCEP will continue to identify and pursue new revenue streams and leverage funding to diversify the employment base and expand activity for the purposes of our mission.
- The EKCEP WIB sets the regional workforce agenda and is widely recognized for its excellence as a leader and governing board, and for its commitment to making a difference. [We take this role and convene all law-required state partners.]

**Purpose of this MOU:** The purpose of this Memorandum of Understanding (MOU) is to define the roles and responsibilities of each partner as mutually agreed by the parties for the operation of the Kentucky Career Center (KCC) service delivery system in WIOA Local Workforce Area: EKCEP as required under the Workforce Innovation and Opportunity Act (WIOA). The following items in this section highlight several of the WIOA references/ requirements related to the MOU.

- A. WIOA Section 121(c) requires that each Local Workforce Development Board (LWDB), with the agreement of the Area's Chief Elected Official (CEO), develop and enter into a memorandum of understanding (between the local board and the one-stop partners), with all the entities that serve as partners in the KCC delivery system that operates in each LWDB's local area. Appropriate funding and delivery of services provided pursuant to this MOU will be reviewed not less than once every 3-year period starting from the effective date of this MOU.
- B. WIOA Section 121(b)(1)(A)(iii) mandates all entities that are required partners in a local area to enter into a memorandum of understanding with the LWDB in the respective area pursuant to WIOA Section 121(c).
- C. WIOA Section 121(b)(1) identifies the federal programs and requires that the services and activities under each of those programs must be made available through each local area's KCC delivery system. The entities that receive the federal funds for each of these programs and/or have the responsibility to administer the respective programs in the Area are required partners under WIOA Section 121(b)(1).
- D. WIOA Section 121(b)(2) prescribes how entities that provide programs other than those required under WIOA Section 121(b)(1)(B) may participate in a local area's KCC delivery system as "additional partners" and provide the services available under their programs through the KCC delivery system.
- E. Per WIOA Section 121(b)(2)(A) both required and additional partners are included as parties to the MOU. Therefore, all entities that participate in an Area's KCC delivery system as KCC partners (Partners), whether required or additional, must be parties to this MOU and must abide by the terms prescribed herein and by all applicable federal, state, and local rules, plans, guidance, and policies as applicable and authorized under the Partner's program and in keeping with federal guidelines.
- F. WIOA Section 121(b)(1)(A)(iv) indicates that the requirements of each partner's authorizing legislation continue to apply under the KCC system and that participation in the KCC delivery system is in addition to other requirements applicable to each partner's program under each authorizing law.

The termination of one or more partner's participation as a party will not result in a termination of this MOU unless the number or contribution of the terminating partner(s) is so substantial that it necessitates the negotiation of a new MOU.
- C. **Effect of Termination:** Any partner that terminates its role as a party to this MOU is no longer eligible to participate as a partner in the local KCC system. In addition, the terminated partner may also be ineligible to serve on the LWDB as a partner representative.

    - d. The desired date for the amendment to be effective.
    - e. The signature of the requesting party's authorized representative.

If the request is approved, the LWDB will notify the remaining parties of the intent to amend and will provide each remaining party thirty (30) days from the date of the notice (unless another timeframe is specified in the notice) to review the anticipated changes and to submit a response to LWDB. Failure by a party to respond within the prescribed timeframe will be deemed that party's approval of the proposed changes.
  3. In the event that a remaining party has questions and/or concerns regarding the proposed amendment, the party must list its questions and/or concerns in writing and submit the list to LWDB within the specified timeframe.

4. LWDB will review the listed questions/concerns and will issue a response within fifteen (15) days of receipt of the list.   5. The final, approved amendment will be signed by authorized representatives of the affected partners, then submitted to LWDB for the final signature.
  6. LWDB will distribute copies of the fully executed amendment to all parties upon execution.
- C. This MOU, including its Attachments, constitutes the entire agreement among the parties with respect to each party's role and responsibility in the Area's KCC service delivery system. All parties agree that any amendments to any applicable laws or regulations cited herein will result in the correlative modification of this MOU without necessitating a formal, written amendment.
- D. All parties agree to communicate details of the amendment to their respective staff members whose responsibilities may be impacted by changes and further agree to ensure that their respective staff members are referencing or utilizing the most current version of the MOU and Attachments in the performance of responsibilities under this MOU.

Note: above information is subject to change, based on partner staffing, location, and funding updates.

The Kentucky Career Center JobSight Comprehensive and Affiliate centers have organized their service delivery and management into three functional teams. These three functional teams provide a structure for all aspects of the career centers, including referrals. The three teams are: 1) Business/Employer Solutions Functional Team (BESFT), 2) Job Seeker Solutions Functional Team (JSSFT), and 3) Center Management Functional Team (CMFT).

BESFT members serve as the point of contact for business/employer customers, and refer job seekers as appropriate.

JSSFT members provide referrals to and coordinate activities with other programs and services within the Kentucky Career Center JobSight One-Stop Delivery System. Since each Kentucky Career Center location differs in the partners available within and outside of the center, members coordinate these referrals based on the center's functional organizational structure and the preferences of each partner. For those partners who are housed within the KCC, members utilize the KCCJ referral form and include a warm hand-off to the partner representative. If the customer needs a referral to other partners outside of the center, these referrals will be completed based upon the preferences of the referred partner – which may include an email, phone call, or establishing an appointment for the client following a conversation with the partner agency representative. Members take steps to actively connect the customer with partner agencies for all referrals within and outside of the KCCJ, instead of making it the responsibility of the customer.

The One-Stop Operating Budget and Infrastructure Funding Agreement (IFA) shall determine how the EKWIB and WIOA one-stop partners will fund the infrastructure costs and additional delivery system costs at two Comprehensive Career Centers and six Affiliate Career Centers in the EKCEP LWDA as outlined above. The EKWIB, EKCEP Chief Local Elected Official, and WIOA one-stop partners agree to the methods of calculating the amounts that each partner will contribute for one-stop infrastructure funding as described herein. The One-Stop Budget and IFA for the eight KCC JobSight locations were prepared under the guidelines established in the OMB Circulars/Common Rule and the One-Stop Comprehensive Financial Management Technical Assistance Guide. The standards contained in the cost principles budgetary structures and generally accepted accounting principles (GAAP) were combined in order to identify the direct and common characteristics of each expenditure category.

The costs in the IFA are infrastructure costs and additional delivery system costs that are shared jointly with the partners in the MOU/IFA. The WIOA one-stop partner program's proportionate share of funding has been calculated in accordance with the Uniform Administrative Requirements Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200.306 based upon a reasonable cost allocation methodology whereby infrastructure costs are charged to each partner in proportion to relative benefits received and have been determined to be allowable, necessary, and allocable. The cost allocation bases utilized in the IFA are square footage and staff FTEs. EKWIB staff worked with WIOA partner leadership to obtain staff FTEs, direct and common space square footage, and shared cost information for the career centers included in the IFA. Square footage was used as the cost allocation base for Infrastructure Costs, and staff FTEs were used as the cost allocation base for Additional Delivery System Costs.

The IFA will be documented and reconciled via the Commonwealth SharePoint Site.

For submission purposes, the proportionate share for all partners is currently calculated based on space utilization as outlined in Infrastructure Funding Agreement (IFA) referenced in Attachment R and completed/ submitted via the state's SharePoint site. As the IFA serves as a working/ living, appropriate allocation methodology adjustments will be made according to updates on partner/staffing levels, lease agreements/updates, new or discontinued programs, etc.

## Impasse- Dispute Resolution

The parties to this MOU agree to communicate openly and directly, and that every effort will be made to resolve any problems or disputes in a cooperative manner. The following guidance is provided to support a unified, collaborative approach to dispute resolution:

### **1. Consensus Decision-Making**

The KCC Operators, Leadership Team, and Partners agree to utilize a consensus-oriented, decision-making process whenever possible for all major decisions regarding center operations.

### **2. Center-level Dispute Resolution Procedures**

For disputes that cannot be resolved through communication between the parties, the following procedure will be initiated:

- a. Disputes at the center will be resolved through partner-communication and, if needed, with support of the KCC Operator
- b. If a partner is not satisfied by the outcome, that partner can provide additional information and request re-examination of the issue to the KCC Operator; the Operator will provide a response to the partner within fourteen (14) business days.
- c. If the partner continues to be dissatisfied with the response/outcome, the issue will be referred to the local Workforce Investment Board Director and, if needed, the Chairperson to assist with dispute resolution

All parties to this MOU agree to comply fully with the Americans with Disabilities Act, as amended, regarding physical and programmatic accessibility of facilities, programs, services, technology, and materials for individuals with disabilities, including complying through staff training and support for addressing the needs of individuals with disabilities.

DOL's Civil Rights Center: Section 188 WIOA Nondiscrimination and Equal Opportunity Regulations (29 CFR Part 38) Final Rule: prohibits discrimination against individuals in any program or activity that receives financial assistance under Title I of WIOA as well as by the one-stop partners listed in WIOA Section 121(b) that offer programs or activities through the one-stop/American Job Center system.

All parties to this MOU agree to comply fully with the nondiscrimination and equal opportunity provisions of the following laws:

- Section 188 of the WIOA, which prohibits discrimination against all individuals in the United States on the basis of race, color, religion, sex, national origin, age, disability, political affiliation or belief, and against beneficiaries on the basis of either citizenship/status as a lawfully admitted immigrant authorized to work in the United States or participation in any WIOA Title I – financially assisted program or activity;
- Title VI of the Civil Rights Acts of 1964, as amended, which prohibits discrimination on the basis of race, color, and national origin;
- Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination against qualified individuals with disabilities;
- The Age Discrimination Act of 1975, as amended, which prohibits discrimination on the basis of age; and
- Title IX of the Education Amendments of 1972, as amended, which prohibits discrimination on the basis of sex in educational programs.

29 CFR part 38 and all other regulations implementing the laws listed above.

**Career Services: Career Services offered through the KCC include:**

Career services include those services requiring minimal staff assistance and services requiring more staff involvement, generally provided to individuals unable to find employment through basic career services and deemed to be in need of more concentrated services to obtain employment; or who are employed but deemed to be in need of more concentrated services to obtain or retain employment that allows for self-sufficiency.

1. **Eligibility Determination:** This is the process of obtaining and documenting information about an individual's circumstances and comparing that information with the criteria set by an agency or program to decide if the individual qualifies for participation.
2. **Outreach, Intake, and Orientation:** Outreach activities involve the collection, publication, and dissemination of information on program services available and directed toward jobless, economically disadvantaged, and other individuals. Intake is the process of collecting basic information, e.g., name, address, phone number, SSN, and all other required information to determine eligibility or ineligibility for an individual's program. Orientation, whether offered in a group setting, one-on-one, or electronically, is the process of providing broad information to customers in order to acquaint them with the services, programs, staff, and other resources at the Kentucky Career Center (KCC), affiliate, or self-service location.
3. **Initial Assessment:** For individuals new to the workforce system, initial assessment involves the gathering of basic information about skill levels, aptitudes, abilities, barriers, and supportive service needs in order to recommend next steps and determine potential referrals to partners or community resources.
4. **Job Search, Placement Assistance, and Career Counseling:** Job Search helps an individual seek, locate, apply for, and obtain a job. It may include but is not limited to: job finding skills, orientation to the labor market, resume preparation assistance, development of a job search plan, job development, referrals to job openings, placement services, job finding clubs, job search workshops, vocational exploration, relocation assistance, and re-employment services such as orientation, skills determination, and pre-layoff assistance. Placement Assistance is a service that helps people to identify and secure paid employment that matches their aptitude, qualifications, experiences, and interests. Career Counseling is a facilitated exploration of occupational and industrial information that will lead to a first, new, or a better job for the individual.

### Continuous Quality Improvement (CQI)

The LWDA and KCC practice ongoing CQI efforts to ensure that the local workforce development system is effective, innovative, collaborative, efficient, customer-centered, and data-driven. This effort is led by the LWDA and supported by the KCC Continuous Quality Improvement Committee, overseen by the One-Stop Operator, and made up of all KCC core partners. This Committee tracks KCC customer flow/ volume/ outcomes, recommends strategies to improve system-wide effectiveness, and pursues relevant opportunities for leveraging and maximizing workforce resources/ partnerships, while reducing duplication/ redundancy.

The EKWIB's Strategic Goals and Objectives are aligned with the Commonwealth's strategic recommendation designed to meet the workforce needs of the future. Moreover, they are focused on supporting the growth of new and expanding industries in Eastern Kentucky within the following sectors:

- Healthcare
- Manufacturing
- Information Technology
- Business Services
- Energy Production and Transmission
- Skilled Trades

The EKWIB's priorities of preparing the workforce to participate in the ever-changing future of work while increasing greater workforce participation are reflected in the goals and objectives that focus on four workforce development areas briefly described below. To view the EKWIB's strategic plan in its entirety, please visit <https://www.ekcep.org/work/#strategicplan>.

**Goal One: Employers**

The EKWIB's priority for employers is active engagement to inform, design, and influence systemic collaborative initiatives to attract skilled workers, develop new entrants into the workforce, develop existing businesses, and support growth.

**Goal Two: Education**

Align and integrate P-12, adult education and postsecondary education to provide lifelong opportunities for Kentuckians that prepare them for the rapidly shifting realities of work in the future.

**Goal Three: Workforce Participation**

Increase Eastern Kentucky's workforce participation by creating opportunities, incenting workforce participation, and removing employment barriers for Eastern Kentuckians.

**Goal Four: Organization and Resource Alignment**

Work collaboratively with industry and employer partners to align resources and utilize best available data to measure success across a broad spectrum of funding sources.

**Infrastructure Funding Agreements (IFAs)** are tools to determine, document, and (when possible) help reconcile all proportionate KCC cost-sharing through inter-agency collaboration and negotiation. IFAs are living/working documents to serve as a companion to the MOU and intentionally designed to allow for ongoing updates and modifications. Required partners in the IFA include those entities that have an **onsite** presence/operation/ staff member(s) at a local Kentucky Career Center. These agreements will be subject to ongoing updates and/or negotiations to allow adaptability to change, modifications, and/or adjustments to partners, staffing, funding sources, customer needs, and capacity.

NOTE: The complete IFA documentation is entered, stored, and updated via the Commonwealth of Kentucky's IFA SharePoint site, administered by the KY Career Development Office (CDO)(<https://edupublic.ky.gov/sites/WFITrade/default.aspx>).

The following KCC partners have indicated that they will have an onsite operation/presence, including staff members, at one or more Kentucky Career Center locations in the local area (and thus will be required participants in the IFA for each appropriate location) during the timeframe of this MOU:

- Office of Adult Education (WIOA Title II)
- Career Development Office (WIOA Title III)
- Office of Vocational Rehabilitation (WIOA Title IV)
- Title V: SCSEP – Big Sandy Area CAP
- CSBG Employment and Training – Bell-Whitley CAA, Big Sandy Area CAP, Daniel Boone CAA, Harlan CA

Note: additional partners may be added/ removed to/from the IFA due to programmatic, funding, staffing, or other changes at any time during this agreement.

**One-Stop Budgets and Partner Contributions** are listed on the subsequent pages and include *estimated* operational costs and contributions and support the infrastructure costs associated with the local Kentucky Career Center system. Information is provided by the listed onsite partners and may be subject to change based on staffing, funding, local, state, federal, and/or programmatic update.
